

PRASOBH P

Software Tester

✉ prasobhguptap@gmail.com ☎ 7306640439 📍 Palakkad, India 📅 2001-12-09 🇮🇳 Indian 🔄 Single

PROFESSIONAL SUMMARY

Self-taught Software Tester with hands-on experience in manual and basic automation testing. Equipped with strong skills in writing test cases, executing test scenarios, identifying and documenting bugs, and ensuring application quality. Transitioned from a non-IT background (B.Com in Computer Applications) to software testing through self-learning and practice. Focused on delivering bug-free applications and passionate about maintaining software reliability and user satisfaction.

SKILLS

TESTING TOOLS

Manual Testing
Selenium (Basic)
Postman
JIRA
TestLink
Bugzilla

TEST TYPES

Functional Testing
Regression Testing
Smoke Testing
API Testing
UI Testing

LANGUAGES/DB

Python (Basic)
SQL

METHODOLOGIES

Agile
Scrum

OTHERS

Test Case Design
Bug Reporting
Version Control: Git

PROFESSIONAL EXPERIENCE

Software Tester - Self-Learning Projects

- Conducted structured testing on web-based applications through personal and open-source projects.
- Applied real-world QA practices including bug reporting, retesting, and documentation.
- Regularly practiced test case writing, test execution, and exploratory testing.

PROJECTS

Pinnacle - Resort Management System Testing

- Designed test scenarios for room booking, admin login, and user interface.
- Executed test cases and documented bugs for booking inconsistencies.
- Practiced Agile-like cycles and wrote detailed reports for each phase.

Outcomes:

- Improved functionality reliability by detecting edge-case failures.
- Documented over 25 bugs with proper steps to reproduce and screenshots.

E-Commerce Web App Testing (BigMart Simulation)

- Conducted functional and UI testing on product listing, checkout, and payment flow.
- Used Postman to test APIs and Selenium for basic browser automation.
- Reported bugs using JIRA and collaborated with a mock team to resolve issues.

Outcomes:

- Created and executed 0+ test cases.
- Reduced major UI bugs by 50% during QA simulation testing.

EDUCATION

Calicut University, Kerala
B. Com in Computer Application

06/2020 – 03/2023
